

# 2017 CANADA 150 Tree Planting Initiative at Lakeshore Park

Planting to take place Saturday, June 3, 2017

The Township of Madawaska Valley in partnership with the Madawaska Valley Horticultural Society are hosting a Canada 150 Tree Planting Initiative at Lakeshore Park.

As part of the celebrations, we are offering the public an opportunity to help support the project through the purchase of a Colorado Spruce Tree and a plaque to be placed with the tree. We are encouraging families, friends, clubs, groups, businesses and organizations to purchase a tree. There are only 32 2 ft. Trees have the potential to grow up to 25 ft. tall and 10 ft. wide. Available for purchase on a first come first serve basis.

This project will help celebrate Canada's 150 birthday and improvements to Lakeshore Park.

Cost of the Tree and Plaque are \$100.00.

Please fill in the registration and provide it and payment to the Township of Madawaska Valley Office.

Planting will take place on Saturday, June 3, 2017 with the support of the MV Horticultural Society and the Township of Madawaska Valley. The Township will maintain and water the trees through the 2017 season and continue to protect them until they are sufficiently grown.
